***“We Help You Help Yourself”***

The Helping Hands Community Partners are actively involved in our Education and Development, Family Services, Financial Literacy, Health & Wellness and Needs & Assessment Passion Projects. We volunteer our time, efforts and energy in making a difference in ourselves and our communities. Our passion projects are funded by each of us individually. With funding on the horizon, we have come to understand and acknowledge our gifts and talents and we are sharing it freely. Our additional funds will heighten our support to the following projects and more:

	<b>Passion Projects</b>	<b>Description</b>
1	“House in Order”	Each community partner has committed to get their House-In-Order, so we can help others help themselves. We are creating and maintaining Protection Documents such as Financial Needs Analysis, Living Will, Certification of Trust Accounts, Personal Passion Projects, and more.
2	Hydrogen Oxidated Water	Educate, create and distribute John Ellis living water.
